

“Anticipate Your Next Patient”
by
Hemant Kairam, M.D.

DATE: Thursday, April 19th, 2018, 12:00pm-1:00pm

LOCATION: Touro College of Osteopathic Medicine, 230 West 125th Street,
New York

Lecture Hall 2

REGISTRATION: No Charge; Lunch Included. Please RSVP.

TARGET AUDIENCE & COURSE OBJECTIVE: This workshop is designed for medical students and faculty with an interest in learning about current topics in pediatrics.

INSTRUCTOR BIO: Hemant Kairam, M.D. completed his residency in Pediatrics at Atlantic Health System/Goryeb Children’s Hospital. He serves as Adjunct Clinical Assistant Professor at TouroCOM and Clinical Assistant Professor at Sidney Kimmel Medical College. Dr. Kairam has been in private practice for almost 20 years where he is currently the Vice-President of Advocare Summit Pediatrics. He is also the Vice-Chair of Pediatrics at Overlook Medical Center and serves as the Pediatric Clerkship Site Director. Due to this passion for global health, Dr. Kairam is the co-founder and current Associate Director of the Pediatric Global Health Program at Atlantic Health and has led over 10 medical trips to rural Haiti.
